Brentwood School's electronic mail (email) system is made available by permission and is provided for use to employees and students. Casual use of the e-mail system for personal purposes (other than those expressly prohibited) may be granted providing that such use is consistent with the school's policies and mission. Brentwood School may, at any time and without prior notification, monitor messages on the system. User e-mail passwords and messages, whether sent or received, are the property of Brentwood School. Use of email and related systems, owned and/or maintained by the school, constitutes agreement and acceptance of this policy.

Check out the [Google Apps Help Website](#) for information on getting started with BWS Gmail.

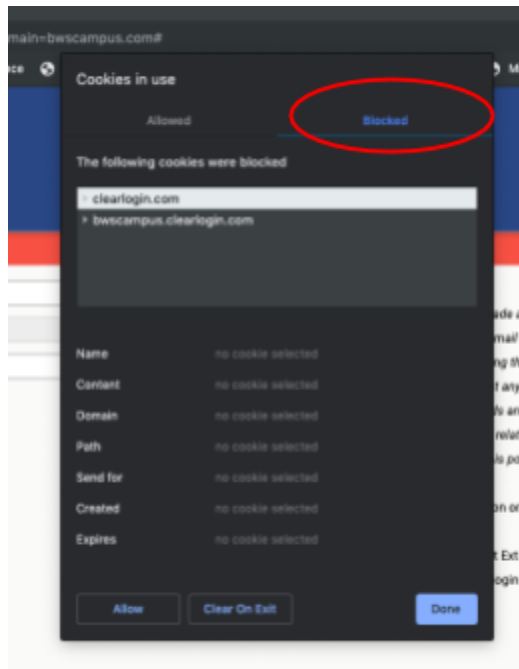

1. Click the lock icon in Chrome's address bar to open the menu below:

2. Click on the "Cookies" item in the menu:

3. Choose "Blocked" from the two "Cookies in Use" choices:

4. Click on the "clearlogin.com" item and click Allow.

5. Click on the "bwscampus.clearlogin.com" item and click Allow.

6. Click Done.

7. You will see a button prompting you to Reload the web page - click the Reload button and you will return to the mail.bwscampus.com web page without the Cookie warning.
